14. Edit Main CSS

The screenshot shows a web browser at the URL `selimreza.xyz/admin/edit_main_css.php`. The page is titled "Edit main.css". On the left, there is a text area containing CSS code. On the right, there is a "Live Preview" of the website's header and profile section.

```
/* Reset & Base */

body {
  background: #f5f7fa;
  color: #333;
  line-height: 1.6;

  padding-top: 70px; /* Adjust if your navbar is taller */
}

a {
  color: #3498db;
  text-decoration: none;
  transition: 0.3s;
}

a:hover {
  color: #2980b9;
}

.custom-header {
  background: linear-gradient(135deg, #0077b6, #00b4d8, #90e0ef);
  background-size: 400% 400%;
  animation: gradientShift 10s ease infinite;
}
```

The live preview shows a website header with the text "Web Developer Selim Reza" and a "Hire Me" button. Below the header is a profile section with a circular profile picture of a man with glasses and a beard. To the left of the profile picture are social media icons for Facebook, YouTube, and WhatsApp. To the right is an "About Me" section with a blue "FAQ Chat" button. The text "About Me" is in large blue letters, and below it, it says "Presently I am working as Senior Information Technology".

15. Footer Edit

The screenshot shows a web browser at the URL `selimreza.xyz/admin/admin_footer_edit.php`. The page has a "Back to Dashboard" button in the top left. The main content area is titled "Branding" and contains several form fields for editing the footer.
